

Ideal for ethernet, voice, audio/video, or other applications. Get all the functionality and compatibility of any name brand at a fraction of the cost. Each panel has cutouts that accept virtually all snap-in jacks. Use keystone jacks and keystone inserts to configure your panel to accommodate a variety of schemes. The clear numbering on the front provides a quick, easy way to identify cable runs. Mounts to any standard 19-inch relay rack, cabinet or wall bracket.
