

Each modem serial cable is designed for long-lasting integrity, regardless of modem baud rates. Plus the cable is fully molded and foil shielded for EMI/RFI protection from surrounding office equipment and fluorescent lights. Thumbscrew connectors provide a fast, easy connection every time. The hoods have long, easy-to-grip, slotted thumbscrews for neat, easy and durable connections.

Features & Benefits

- Adapts a DB9 female connection to a DB25 male connection
- Designed for long-lasting integrity
- Fully molded and foil shielded for EMI/RFI protection
- Slotted thumbscrews for neat, easy and durable connections
