

With one right-angled connector, this cable can connect at a more desired angle and is fortified to keep the cable lined up straight. So you'll see less cable bend and fatigue for longer cable life. eSATA provides more performance than current solutions and is hot-pluggable. You can now utilize shielded cable lengths up to 2 meters outside the PC to take advantage of the benefits the SATA interface brings to storage.

SATA is now out-of-the-box as an external standard, with specifically defined cables, connectors, and signal requirements. With eSATA, you get a robust and user-friendly external connection with high performance and cost-effective expansion storage. SATA 3.0 compatible with transfer rates up to 6 Gbps!

Specifications

General Info

Product Line	C2G	UPC Number	757120102229
Country Of Origin	China	Application Sector	Residential, Commercial
Type	Cable		

Dimensions

Cable Length	3.3 ft		
--------------	--------	--	--

Additional Information

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm
--------------------------	-----	--------------------------	------------------------------

Technical Information

Jacket Material	PVC (Polyvinyl Chloride)	Cable Type	Serial
Jacket Rating	Standard Non-Rated	Adapter Rear	eSATA 7-pin Male
Adapter Front	eSATA 7-pin Male
