

With the right-angled connectors, this cable can connect at a more desired angle and is fortified to keep the cable lined up straight. So you'll see less cable bend and fatigue for longer cable life. eSATA provides more performance than current solutions and is hot-pluggable. You can now utilize shielded cable lengths up to 2 meters outside the PC to take advantage of the benefits the SATA interface brings to storage.

SATA is now out-of-the-box as an external standard, with specifically defined cables, connectors, and signal requirements. With eSATA, you get a robust and user-friendly external connection with high performance and cost-effective expansion storage. SATA 3.0 compatible with transfer rates up to 6 Gbps!

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120102243	Country Of Origin	China
Features	Right Angle	Application Sector	Commercial, Residential
Type	Cable		

Dimensions

Cable Length	3.3 ft
--------------	--------

Technical Information

Jacket Material	PVC (Polyvinyl Chloride)	Cable Type	Serial
Jacket Rating	Standard / Non-Rated	Connector 2	eSATA 7-pin Male
Connector 1	eSATA 7-pin Male
