

Designed for the healthcare market and capable of withstanding heavy use due to its UL Hospital Grade certification, this combination USB Charger/20A Duplex receptacle allows you to charge your USB devices directly from a power outlet on the wall. This USB charging outlet is perfect for charging USB 2.0 and USB 3.0 devices such as tablets, smartphones and portable music players. The receptacle includes two USB charging ports and two tamper-resistant 20A Duplex outlets. The USB Type A ports support a total charging capacity of 3.1A. The receptacle is designed with back and side terminals that accommodate #14 AWG - #10 AWG stranded and solid copper wire for installation flexibility.

With style and elegance in mind, these USB charging receptacles and wall plates are offered in ivory and white finishes. Additional USB charging receptacles are available with or without 15A or 20A Duplex outlets and with up to four USB charging ports.

Decorator wall plate included with receptacle.
