Get rid of bulky USB adapters and charge your USB devices directly from a power outlet using USB charging receptacles. This USB charging outlet is perfect for charging USB 2.0 and USB 3.0 devices such as tablets, smartphones and portable music players. The receptacle includes two USB chargers and one Tamper-Resistant 15A Duplex Outlet. The USB Type A ports support a total charging capacity of 2.1A. The receptacle is designed with back and side wire terminals that accommodate #14 AWG - #10 AWG stranded and solid copper wire for installation flexibility.

With style and elegance in mind, these USB charging receptacles and wall plates are offered in black, ivory, light almond, nickel and white finishes. Additional USB charging receptacles are available with or without 15A duplex outlets and with up to four USB charging ports.

Screwless wall plate included with receptacle.
