

Designed for commercial markets with strength and durability in mind, this combination USB Charger/20A Duplex receptacle allows you to charge your USB devices directly from a power outlet on the wall. This USB charging outlet is perfect for charging USB 2.0 and USB 3.0 devices such as tablets, smartphones and portable music players. The receptacle includes two USB charging ports and two tamper-resistant 20A Duplex outlets. The USB Type A ports support a total charging capacity of 3.1A. The receptacle is designed with back and side wire terminals that accommodate #14 AWG - #10 AWG stranded and solid copper wire for installation flexibility.

With style and elegance in mind, these USB charging receptacles and wall plates are offered in ivory, light almond and white finishes. Additional USB charging receptacles are available with or without 15A or 20A Duplex outlets and with up to four USB charging ports.

Screwless wall plate included with receptacle.
