

This Horizontal Cable Management Panel is an idea solution for managing cables within a rack or cabinet in a wide variety of applications. This panel features five horizontal distribution rings which are constructed of steel and support a fill capacity of up to 60 Category 6 cables. In addition to cable management, this panel closes off open spaces in the rack, promoting proper airflow.

## Features & Benefits

- Provides organized management of patch cables horizontally
- D-rings constructed of steel
- Maximum ring fill capacity using Category 6 cable is 60 cables

## Specifications

### General Info

Product Line	C2G	UPC Number	757120145936
Country Of Origin	United States	Application Sector	Commercial, Industrial
Type	Panel, Cable Management
