

C2G
Wall Mount Shelf (TAA Compliant)
Part No. CG-14626

This Wall Mount Shelf is an ideal solution for wall mounting any non-rackmount equipment in a wide variety of applications from small IT installs to colocation datacenters. This shelf will support up to 120lbs of evenly distributed weight with its steel construction. Six keyhole openings on the rear of the shelf for mounting are spaced 16in on center for standard wall studs.

Features & Benefits

Supports up to 120lbs of evenly distributed weight

Six keyholes on rear with 16in centers for mounting

Steel construction

Specifications
