

C2G

DISCONTINUED: 10ft (3m) Cat5e Non-Booted UTP Unshielded Ethernet Network Patch Cable - Plenum CMP-Rated - Gray
Part No. CG-15229

Strict building code requirements for cabling in plenum spaces have created installation challenges in settings such as schools, hospitals and other commercial buildings. C2G has expanded its connectivity portfolio to include a line of cables that are ideal for routing through plenum space above dropped ceilings or under raised floors.

Applications include voice/data/video distribution; this cable will handle bandwidth-intensive applications. Meets all Cat5E TIA/EIA standards, and reduces both impedance and structural return loss (SRL) .

Constructed from high quality plenum cable, this design minimizes Near-End Crosstalk (NEXT) levels. Available in Gray, Blue and Black to easily color-code your network installation.

Features & Benefits

Rated for Plenum, in-wall installations

Cat5e cable with standard RJ45 connectors

Available in lengths up to 100ft

Specifications

General Info

| | | | |
|--------------------|-------------------------------------|-------------------|---------------|
| Product Line | C2G | Color | Gray |
| UPC Number | 757120152293 | Country Of Origin | United States |
| Application Sector | Residential, Commercial, Industrial | Type | Cable |

Dimensions

| | |
|--------------|-------|
| Cable Length | 10 ft |
|--------------|-------|

Additional Information

| | | | |
|--------------------------|-----|--------------------------|------------------------------|
| Prop 65 Warning Required | Yes | Prop 65 Warning Language | Cancer and Reproductive Harm |
|--------------------------|-----|--------------------------|------------------------------|

Technical Information

| | | | |
|-----------------|--------------------------|--------------|--|
| Jacket Material | PVC (Polyvinyl Chloride) | Cable Type | Unbooted, Ethernet Patch Cable, Unshielded (UTP) |
| Jacket Rating | Plenum CMP-Rated | Adapter Rear | RJ-45 Male |
| Adapter Front | RJ-45 Male | | |
