We no longer directly offer these products. You can find it available to purchase with an account at [legrand.com](https://www.legrand.com) as part numbers 2910B, 2910B-WH, and 2910B-FW.

This blank end fitting is the ideal solution for closing off the open end of a raceway run. The blank end fitting attaches to the end of a piece of raceway and closes the open end. Available in standard colors which match the raceway, this blank end fitting features a smooth plastic finish, which is paintable with latex paint, and is designed to work with 2900 series raceway.

Features & Benefits

Durable, impact-resistant PVC construction

Standard color to match 2900 series raceway

Paintable using latex paint

Sold in packs of two

TAA Compliant
