C2G

Discontinued - Wiremold® Uniduct 2900 Bend Radius Compliant Internal Elbow - White

Part No. CG-16065

We no longer directly offer these products. You can find it available to purchase with an account at legrandav.com as part numbers 2917FO-FW, 2917FO, and 2917FO-WH.

This internal elbow is the ideal solution for making a right angle turn on the same surface and connecting two pieces of raceway. The internal elbow attaches to the end of two pieces of raceway and allows cabling to make a turn while maintaining 1-1/4in (32mm) bend radius control and protecting bend sensitive cabling. Available in standard colors which match the raceway, this internal elbow features a smooth plastic finish, which is paintable with latex paint, and is designed to work with 2900 series raceway.

Features & Benefits

- Bend radius compliant
- Durable, impact-resistant PVC construction
- Standard color to match 2900 series raceway
- Paintable using latex paint
- TAA Compliant
