

We no longer directly offer these products. You can find it available to purchase with an account at [legrandav.com](https://www.legrandav.com) as part numbers 2989A-WH, 2989A, and 2989A-FW.

This reducing connector is the ideal solution for connecting two pieces of raceway which are different sizes. The reducing connector attaches to the end of two pieces of raceway and allows for a seamless transition. Available in standard colors which match the raceway, this reducing connector features a smooth plastic finish, which is paintable with latex paint, and is designed to create a transition between 2900 and 2700 series raceway.

Features & Benefits

Durable, impact-resistant PVC construction

Standard color to match Uniduct raceway

Paintable using latex paint

TAA Compliant
