

We no longer directly offer this product. You can find it available to purchase with an account at legrandav.com as part #OFR89-2400.

Wiremold OFR series Overfloor Raceway System provides four-channels of capacity and access to a wide range of power, communications, and A/V connectivity options in the smallest, lowest, narrowest, ADA compliant profile available in overfloor raceway systems. This system installs over existing floor coverings and is both tamper-resistant and installer-friendly, making it an ideal solution for relocatable or permanent installations where access through floors and ceilings is not an option. For connecting vertical runs of 2400 and 2400D series raceway with OFR series raceway. Includes removable divider than can be positioned to feed any raceway channel.

Features & Benefits

Lowest profile overfloor raceway available in the industry	Attaches directly to floor covering, no need to alter carpeting, tile or wood
Multiple channel base provides space for power, communications and A/V requirements	Installs in open space areas where in-floor or ceiling distribution are not accessible
Meets ADA Accessibility Guidelines for ADA Standard 4.5	TAA Compliant
