

The 4000 series raceway is the work horse of surface raceway systems. 4000 Raceway can be divided for multi-service applications. 4000 series raceway is ideal for all applications requiring a large cable capacity dual service steel raceway. Commercial, institutional, and industrial applications all benefit from the 4000 Series rigid steel construction and durable Ivory ScuffCoat finish. 4000 series raceway is also ideal for municipalities that require either all steel construction or prohibit nonmetallic cable management systems. Full capacity entrance end fitting has concentric 3/4in, 1in, and 1 1/4in trade size knockouts on end and bottom for feeding 4000 series raceway. Includes removable divider and 1 1/4in bend radius control insert for UTP/STP and fiber cable installations.

Features & Benefits

Large cross section area which provides ample space for Feeder or header system. Ideal for overhead, open spaces and large wiring requirements. under raised floor applications.

Overlapping steel faceplates hide unsightly seams where Raceway and fittings meet UL5 specifications and can be installed device plates abut raceway cover. in conformance with ADA requirements.

Wiremold Part # V4010DFO

Specifications

General Info

Product Line	C2G	Color	Ivory
Country Of Origin	United States	Application Sector	Residential, Commercial
Type	Raceway, Fitting		

Additional Information

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm
