

The 4000 series raceway is the work horse of surface raceway systems. 4000 Raceway can be divided for multi-service applications. 4000 series raceway is ideal for all applications requiring a large cable capacity dual service steel raceway. Commercial, institutional, and industrial applications all benefit from the 4000 Series rigid steel construction and durable Ivory ScuffCoat finish. 4000 series raceway is also ideal for municipalities that require either all steel construction or prohibit nonmetallic cable management systems.

Features & Benefits

- Large cross section area which provides ample space for large wiring requirements.
- Overlapping steel faceplates hide unsightly seams where device plates abut raceway cover.
- Wiremold Part # 5507-4TJ
- Feeder or header system. Ideal for overhead, open spaces and under raised floor applications.
- Raceway and fittings meet UL5 specifications and can be installed in conformance with ADA requirements.

Specifications

General Info

Product Line	C2G	Color	Ivory
UPC Number	786776137439	Country Of Origin	United States
Application Sector	Residential, Commercial	Type	Device Plate, Fitting

Additional Information

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm
