We no longer directly offer this product. You can find it available to purchase with an account at [legrandav.com](https://www.legrandav.com) as part #AV9012BK.

Wiremold audio/video interface plates (AVIP) allow for A/V connectivity in all Wiremold A/V compatible pathways. AVIP Series Device Plates are metal and have screwed-down connectors, which ensure a secure connection that cannot be easily pulled-out or disconnected while in use. Available in data, audio, and video versions, AVIP Series Device Plates help you stay connected in meeting and training rooms, collaboration spaces, or work areas.
