C2G

Discontinued - Wiremold® Evolution™ Series Ceiling Box with Projector Mount

Part No. CG-16277

We no longer directly offer this product. You can find it available to purchase with an account at legrandav.com as part #ECB2SP.

The plenum-approved Evolution Series Ceiling Box provides a compact design, with a projector mount option and a hidden place for the needed active equipment. These boxes are perfect for smaller spaces like conference rooms and education facilities where racks will not fit. Fully finished enclosure designed to manage and store A/V equipment in an air handling plenum space above a false ceiling. This box has a built in projector mount that utilizes a 1 1/2in standard NFS fitting and is rated to support a load up to 50 lbs. The projector mount can move laterally and be positioned anywhere along the track.

Features & Benefits

Offered in six different versions from a basic model to the RackLink version allowing the correct box to be selected for a given job.

The storage shelf is removable to allow A/V equipment to be mounted outside the box, facilitating a quicker, easier installation.

Plenum Rated, suitable for use in plenums in accordance with section 300.22(c) of the National Electrical Code.

Wiremold Part #: ECB2SP
