

C2G
Discontinued - Wiremold® Evolution™ Series Fan
 Part No. CG-16281

We no longer directly offer this product. You can find it available to purchase with an account at legrandav.com as part #ECB-FAN.

The plenum-approved Evolution Series Ceiling Box provides a compact design, with a projector mount option and a hidden place for the needed active equipment. These boxes are perfect for smaller spaces like conference rooms and education facilities where racks will not fit. The fan measures 120mm x 120mm, 120 VAC, 49 CFM/28 dB and is used when additional air flow is required. Includes fan guard.

Features & Benefits

Offered in six different versions from a basic model to the RackLink version

allowing the correct box to be selected for a given job.

The storage shelf is removable to allow A/V equipment to be mounted outside the box, facilitating a quicker, easier installation.

Plenum Rated, suitable for use in plenums in accordance with section 300.22(c) of the National Electrical Code.

Wiremold Part #: ECB-FAN
