

C2G
Discontinued - Wiremold® Evolution™ Series External Mounting Brackets
Part No. CG-16282

We no longer directly offer this product. You can find it available to purchase with an account at legrandav.com as part #ECB-EMB.

The plenum-approved Evolution Series Ceiling Box provides a compact design, with a projector mount option and a hidden place for the needed active equipment. These boxes are perfect for smaller spaces like conference rooms and education facilities where racks will not fit. Two (2) brackets included to mount to the outside of the ceiling box and supports the box with threaded 3/8in diameter threaded rod.

Features & Benefits

Offered in six different versions from a basic model to the RackLink version

allowing the correct box to be selected for a given job.

The storage shelf is removable to allow A/V equipment to be mounted outside the box, facilitating a quicker, easier installation.

Plenum Rated, suitable for use in plenums in accordance with section 300.22(c) of the National Electrical Code.

Wiremold Part #: ECB-EMB
