

C2G
DISCONTINUED: Wiremold® Evolution™ Series Floor Box Device Plate (TAA Compliant)
Part No. CG-16285

The plenum-approved Evolution Series Ceiling Box provides a compact design, with a projector mount option and a hidden place for the needed active equipment. These boxes are perfect for smaller spaces like conference rooms and education facilities where racks will not fit. Device plate dimensions: 2 3/4in x 4 1/2in.

Features & Benefits

Offered in six different versions from a basic model to the RackLink version

allowing the correct box to be selected for a given job.

The storage shelf is removable to allow A/V equipment to be mounted outside the box, facilitating a quicker, easier installation.

Plenum Rated, suitable for use in plenums in accordance with section 300.22(c) of the National Electrical Code.

Wiremold Part #: EFB-MAAP
