

**C2G**  
**Discontinued - 3ft (0.9m) 12AWG Power Cord (IEC320C20 to IEC320C19) - Green**  
Part No. CG-17723

When working in a wiring closet or a cabinet space is limited and cords can easily be misidentified and disconnected causing detrimental downtime. Perform maintenance tasks with confidence by using color power cords in a data environment allowing for quick and accurate identification of equipment.

**Power Up**

Connect PDUs to servers, switches, or other data center equipment. This cable can deliver 20 Amps up to 250 Volts to any connected device ensuring correct operating power

**Level Up**

Each color power cable is constructed to the highest industry standards, to ensure high-quality installs and deliver the stability and durability that is needed for reliable network performance.

**Maintain Excellence**

Allow IT technicians to perform maintenance tasks with confidence and easily locate equipment based on functionality or location, saving both time and money using color coded power cables.

## Features & Benefits

Full length color jacket with matched color connectors

Constructed of heavy duty 12AWG conductors

Rated up to 250V 20A

UL listed

## Specifications

### General Info

Product Line	C2G	Color	Green
UPC Number	757120177234	Country Of Origin	China
Application Sector	Commercial, Industrial	Type	Power Cord

### Dimensions

Cable Length	3 ft
--------------	------

### Technical Information

Wire Gauge	12 AWG	Jacket Rating	SVT Rated
Amperage	20 A	Connector 2	C19 IEC
Connector 1	C20 IEC	Voltage	250.0 V
