

The DisplayPort Female to Female Coupler is the perfect solution for combining two DisplayPort cables to achieve connectivity over a longer distance. The coupler is compact and designed for minimal signal loss. The passive design of this coupler allows it to support video resolutions of up to 1080p.

Note: Standard signal length limitations apply to coupled cables

Features & Benefits

Support video resolutions of up to 1080p

Allows for two DisplayPort cables to be joined together

Compact and designed for minimal signal loss

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120184119	Country Of Origin	China
Application Sector	Commercial, Residential	Type	Coupler

Technical Information

Video Resolution	1080p	Connector 2	DisplayPort Female
Connector 1	DisplayPort Female	Video Output Support	DisplayPort
Video Input Support	DisplayPort
