C2G
100ft (30.5m) Cat5e Snagless Unshielded (UTP) Ethernet Network Patch Cable - Green
Part No. CG-19387

For fast Ethernet networks that require bandwidth-intensive voice, data, or video distribution applications. Meets all Cat5e TIA/EIA standards, and drastically reduces both impedance and structural return loss (SRL). Each of the individual pairs is bonded together to help maintain the twist-spacing throughout the line right up to the termination point. Constructed from high quality copper cable, this design minimizes Near-End Crosstalk (NEXT) levels. The molded, snagless boot prevents unwanted cable snags during installation and provides extra strain relief. Available in a variety of colors to easily color-code your network installation.

Features & Benefits

• Snagless design protects clips when plugging and unplugging

• Available in 10 colors to color-code a network

• Standard RJ45 connectors and unshielded twisted pair wires

• Available in lengths up to 150ft

Specifications

General Info

Product Line	C2G	Color	Green
UPC Number	757120193876	Country Of Origin	Vietnam
Application Sector	Residential, Commercial, Industrial	Type	Cable

Dimensions

Cable Length	100 ft

Additional Information

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm

Technical Information

Jacket Material	PVC (Polyvinyl Chloride)	Wire Gauge	24 AWG
Cable Type	Snagless, Ethernet Patch Cable, Unshielded (UTP)	Jacket Rating	Standard Non-Rated
Adapter Rear	RJ-45 Male	Adapter Front	RJ-45 Male
