

Replace your overused or lost TV power cable, or just keep an extra cord for convenience. This TV power cable is designed to work with televisions that use the 3-pin shroud power connector. Plus this heavy duty 18 AWG cord construction features a fully molded design for maximum durability and long life. This cable is the perfect length for allowing flexible placement and use of a television.

The female connector plugs directly into the television while the male connector plugs into a standard outlet.
