

Digital Visual Interface (DVI) is the standard interface for high-performance connection between PCs and flat panel displays, CRT displays, projectors, and HDTV. This video adapter is fully compliant with the DVI standard defined by DDWG (Digital Display Working Group). The DVI-I configuration adapts an existing VGA cable for use with a DVI-I device.

Maximum resolution is UXGA (1600 x 1200 pixels). Gold-plated contacts provide full conductivity with no data loss. PC- and Mac®-compatible cable supports hot-plugging of DVI display devices.

Please Note: This adapter is for DVI-I ports only and will not fit a digital DVI-D port.

Features & Benefits

Perfect for converting a DVI-A cable connector to VGA for use with a device

Supports resolutions up to 1600 x 1200

Use with analog VGA port on device

Specifications

General Info

Product Line	C2G	Replaced by Part Number	26954
Color	Blue	UPC Number	757120269571
Country Of Origin	China	Application Sector	Commercial, Residential
Type	Adapter		

Dimensions

Product Width US	1.57 in	Product Depth US	1.96 in
Product Height US	0.59 in		

Technical Information

Jacket Material	PVC (Polyvinyl Chloride)	Video Resolution	UXGA (1600x1200)
Jacket Rating	Standard / Non-Rated	Connector 2	VGA Male

Connector 1

DVI-A Female

Video Output Support

VGA

Video Input Support

DVI-I
