

The USB Charging Y Cable is the ideal solution for charging two smartphones, tablets or other mobile devices. The 30 gauge conductor construction provides the flexibility to connect in even the tightest of spaces. This flexibility and the compact size of this cable make it the ideal portable solution. Charges two devices with Micro-USB connectors.

Note: This cable is wired to carry power only and will not carry data. Connecting this cable will only charge a device and will not allow syncing of data.

Features & Benefits

Ultra flexible cable construction

The Y design allows two devices to be charged simultaneously

Designed for charging only

Corrosion resistant nickel plated connectors

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120270546	Country Of Origin	China
Application Sector	Commercial, Residential	Type	Cable

Dimensions

Cable Length	0.84 ft
