

A handy replacement for a lost cable, or a nice spare for the office. Just plug-and-play for many digital camera models, cellphones, MP3 players, PDAs and other mini-USB devices. This cable provides a transfer rate up to 480 Mbps depending upon the peripheral's USB version, and is ideal for transferring pictures from your digital camera to your PC or Mac. Foil and braid shielding reduces EMI/RFI interference and twisted pair construction helps reduce crosstalk thus ensuring high speed, error-free data transfer.

## Specifications

### General Info

Product Line	C2G	Color	Black
UPC Number	757120273318	Country Of Origin	China
Application Sector	Commercial, Residential	Type	Cable

### Dimensions

Cable Length	6 ft
--------------	------

### Technical Information

Conductor Stranding	Stranded	Signal Transmission	Bidirectional
Cable Type	Adapter, USB	Connector 2	USB 4-pin Mini-B Male
Connector 1	USB-A Male
