

Build USB 2.0 functionality into a custom system with a secure and efficient fixed port. Provide access to a PC, printer, projector, or other USB device with minimal exposure or repositioning. From basic port reroutes in a PC, to connections at podiums and kiosks, a panel-mount cable is the right solution to keep your connection clean and professional.

Foil and braid shielding reduces EMI/RFI interference, and twisted pair construction helps reduce crosstalk thus ensuring high speed, error-free data transfer. This cable also features molded screw-style connectors that enable easy connection to a faceplate or machined port.

## Features & Benefits

Panel-mount cable design for clean and professional look

Foil and braid shielding reduces EMI/RFI interference

Twisted pair construction for reducing crosstalk

Screw-style design for a quick and easy connection

## Specifications

### General Info

Product Line	C2G	Color	Black
UPC Number	757120280668	Country Of Origin	China
Application Sector	Commercial, Residential	Warranty Type	Lifetime
Type	Cable		

### Dimensions

Product Length US	1.0 FT	Cable Length	1 ft
-------------------	--------	--------------	------

### Technical Information

Jacket Material	PVC (Polyvinyl Chloride)	Cable Type	USB
Amperage	100 mA	Data Transfer Rate	480 Mbps
Connector 2	USB-B Male	Connector 1	USB-A Female
