

Build USB 2.0 functionality into a custom system with a secure and efficient fixed port. Provide access to a PC, printer, projector, or other USB device with minimal exposure or repositioning. From basic port reroutes in a PC, to connections at podiums and kiosks, a panel-mount cable is the right solution to keep your connection clean and professional.

Foil and braid shielding reduces EMI/RFI interference, and twisted pair construction helps reduce crosstalk thus ensuring high speed, error-free data transfer. This cable also features molded screw-style connectors that enable easy connection to a faceplate or machined port.

Features & Benefits

Panel-mount cable design for clean and professional look

Foil and braid shielding reduces EMI/RFI interference

Twisted pair construction for reducing crosstalk

Screw-style design for a quick and easy connection

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120280736	Country Of Origin	Vietnam
Application Sector	Commercial, Residential	Warranty Type	Lifetime
Type	Cable		

Dimensions

Product Length US	2.0 FT	Cable Length	2 ft
-------------------	--------	--------------	------

Technical Information

Jacket Material	PVC (Polyvinyl Chloride)	Conductor Stranding	Stranded
Signal Transmission	Bidirectional	Cable Type	USB
Amperage	100 mA	Data Transfer Rate	480 Mbps

Connector 2

USB-B Male

Connector 1

USB-B Female
