

Enables data transmission up to 10 times faster than an ordinary phone cable when connecting telephones, answering machines, and fax machines. Ultra-flexible jacket makes cable installation easy. 24k gold-plated connectors provide corrosion resistance for maximum conductivity. Snagless, molded connector enables increased flexibility and durability for effective strain relief.

Foil double-shielding with the braid shield reduce interference while the twisted-pair construction minimizes crosstalk for high speed, error-free data transfer.

Features & Benefits
