

The HDMI over Cat kit is a complete solution for extending HDMI audio/video signals over a single Cat5e, Cat6, or Cat6a cable up to 300ft at a 1080p resolution. This solution is compatible with any operating system and is truly plug and play with no drivers or software required. This solution utilizes TruChoice™ power, which allows power to be supplied over the Cat cable to both the transmitter and receiver from a single power adapter placed at either the transmitter or the receiver end of the solution. HDBaseT technology supports HDCP and allows the Extended Display Identification Data (EDID) signals, i.e. communication of the display's capabilities, to pass through the extension solution ensuring that the content from the source is sent at the optimal resolution for the display. Built-in power surge protection and high ground loop immunity ensure high performance signal extension.

Features & Benefits

- Extend HDMI up to 300ft at a 1080p resolution
- Utilizes a single Cat5e, Cat6 or Cat6a cable for extension
- HDBaseT technology supports EDID pass through
- TruChoice Power allows for power at transmitter or receiver end
- Kit includes both the transmitter and receiver units

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120292104	Country Of Origin	Taiwan, Province Of China
Application Sector	Commercial	Warranty Type	5-Year
Type	Extender, HDBaseT, Kit, Active Device		

Additional Information

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm
