

This USB-C to HDMI adapter is an ideal solution for connecting a device with a USB 3.1 Type C connector to an HDTV, projector, or other display with an HDMI port. This adapter utilizes the audio/video support built in to USB Type-C ports to feed an audio/video signal to a HDMI HDTV or projector. This adapter supports up to a 4k (4096 x 2160 at 30Hz) resolution, allowing it to deliver a high quality video image to the connected display. The compact design of this adapter make it a perfect pair for BYOD (Bring Your Own Device) applications in education or corporate environments. This adapter is a perfect accessory for Apple®, Microsoft® Surface®, and other leading laptops and tablets.

**Note:** To install, first plug the USB-C connector of the dongle into the laptop, tablet, or other source device, then plug the HDMI cable from the display into the HDMI port of the dongle
