

This USB-C to HDMI Adapter Converter is an easy and convenient solution for connecting an HDMI monitor to a USB-C computer in your home or your office. This adapter converter carries a digital video signal, supports up to a 4K resolution and meets the requirements of high performance applications.

Avoid frustration by simply plugging the adapter into your computer, then attach to the existing HDMI cable from your monitor or projector. The portable, compact design also makes it easy to carry in a laptop bag when traveling or on the go.

This adapter converter automatically converts the digital USB-C signal to HDMI, supporting full HD up to a 4K resolution at 60Hz.

## Features & Benefits

- Adapts a USB-C output to HDMI, so no need to purchase a new monitor
- Dongle style adapter reduces strain, prolonging the life of the port
- Plug-and-play, so no additional software or drivers needed
- Adapter supports up to a 4K video resolution, so meeting attendees will be able to see the displayed content for improved comprehension and detailed decision making

## Specifications
