

This fiber distribution system was designed with legacy installations in mind. We offer a comprehensive line of adapter panels (26 pre-loaded configurations) that easily install into any of our rackmount or wallmount enclosures or panels. Constructed with steel, each adapter is pre-loaded with a feed-through mating sleeve that serves as the intermediate connection between the backbone and your patch cable. Simply select your connector type, then plug-and-play.

## Features & Benefits

- Available in different colors
- Constructed with steel, pre-loaded with a feed-through mating sleeve
- Allows for easy install into any of our rackmount or wallmount enclosures or panels

## Specifications
