

This in-wall rated Cat5e cable is perfect for creating custom length horizontal network cable runs. This cable meets all Cat5e TIA/EIA standards, and is designed to reduce both impedance and structural return loss (SRL). Each of the individual pairs are constructed from high quality copper cable and are bonded together to help maintain the twist-spacing up to the termination point. This design helps to minimize Near-End Crosstalk (NEXT) levels. The cable is foot-marked on the jacket indicating the amount cable remaining spooled in the easy-to-use pull box.

Features & Benefits

- Perfect for networking applications in high noise environments
- No-snag box makes pulling cable a cinch
- Rated for in-wall applications

Specifications

General Info

Product Line	C2G	Color	Blue
UPC Number	757120323884	Country Of Origin	China
Type	Cable		

Dimensions

Cable Length	1000 ft
--------------	---------

Additional Information

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm
--------------------------	-----	--------------------------	------------------------------

Technical Information

Wire Gauge	24 AWG	Jacket Rating	In-Wall, CM-Rated
Adapter Rear	RJ-45 Male	Adapter Front	RJ-45 Male
