

Designed for superior performance, this keystone jack is available in several colors to match housing or allow color-coded port designation in compliance with TIA/EIA 568B 2.1 and ISO/IEC 11801 requirements. Includes 110-type IDC termination with strain relief caps, and comes standard with 50 µinch gold plating on the jack contacts.

Please Note: Our keystone jacks will work with our wall plates and surface boxes, or any standard keystone and angled multimedia wall plate or patch panel.
