

**C2G**  
**DISCONTINUED: 6.6ft (2m) USB 2.0 A/B Cable Multipack (5-Pack) - Multi-Color**  
Part No. CG-35679

Our colored USB 2.0 cables combine functionality, performance, and value. Just plug-and-play for keyboards, mice, modems, printers, and other USB peripherals. Engineered to support high speed USB computers and devices, this cable provides robust throughput of 480 Mbps, 40 times faster than USB 1.1. Foil and braid shielding reduces EMI/RFI interference and twisted-pair construction reduces crosstalk thus ensuring high speed, error-free data transfer.

Connect a USB peripheral to a USB hub or computer port and get high performance WITH flexibility. With different colors, you can easily color-code your USB devices, so you remember which device is connected to which port.

## Specifications

### General Info

|                   |       |                    |                         |
|-------------------|-------|--------------------|-------------------------|
| Product Line      | C2G   | UPC Number         | 757120356790            |
| Country Of Origin | China | Application Sector | Residential, Commercial |
| Type              | Cable |                    |                         |
