

With LC to SC termination, this high quality fiber optic patch cable is specifically designed for ethernet, multimedia, or communication applications. The small LC connector [B]takes HALF the size of traditional SC and ST fiber connectors,[/B] since it offers twice the port density of conventional SC and ST connectors to satisfy the need for higher port density in telecom closets, equipment rooms, and work areas.

The LC connector's RJ-style latch clip design gives each connection greater durability in resisting snagging, pulls, strains and impacts during cabling installs and maintenance. Plus, it is easy to engage and disengage with the "telephone jack style" release mechanism. The SC connector features a push-pull locking system. The plenum rating provides the fire protection required to run this cable within walls and air plenums without using conduit.

The patented injection molding process provides each connection greater durability in resisting pulls, strains and impacts from cabling installs.

Each cable is 100% optically inspected and tested for insertion loss before you receive it. A pull-proof jacket design surrounds the popular 62.5/125 multimode fiber, immune to electrical interference.

Features & Benefits

Designed to support gigabit ethernet, FDDI, multimedia, ATM, or any application that requires high speed data transfer	Plenum CMP rated for cable runs through walls and drop ceilings with plenum air space
Patented injection molding process for greater durability	Optically inspected and tested for insertion loss
Pull-proof jacket design, immune to electrical interference	

Specifications

General Info

Product Line	C2G	Color	Red
UPC Number	757120375593	Country Of Origin	Hong Kong
Application Sector	Commercial, Industrial	Type	Cable

Dimensions

Cable Length	33 ft
--------------	-------

Additional Information

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm
--------------------------	-----	--------------------------	------------------------------

Technical Information

Fiber Optic Cable Type	Multimode, OM1	Jacket Material	PVC (Polyvinyl Chloride)
Bend Radius	50 mm	Simplex/Duplex	Duplex
Cable Type	Fiber Optic	Jacket Rating	Plenum CMP-Rated
Data Transfer Rate	1 Gbps	Adapter Rear	SC Male
Adapter Front	LC Male	Fiber Size	62.5/125
