

Use this 1/4in to 1/4in cable to connect unbalanced line outputs to unbalanced line inputs. This pro-audio cable is made from 22 AWG twisted pair audio cable under an aluminum foil shield and 60% copper braid for maximum shielding from noise. The highly flexible 7mm PVC jacket reduces the risk of the cable kinking and damaging the conductors.

Bright nickel plating on solid brass connectors resists wear from reconfiguring and moving equipment from one venue to another. Spring strain relief on the 1/4in plug reduces the effects of age on the solder joints and contacts.

## Specifications

### General Info

Product Line	C2G	Color	Black
UPC Number	757120400639	Country Of Origin	China
Application Sector	Commercial, Residential	Type	Cable

### Dimensions

Cable Length	1.5 ft
--------------	--------

### Technical Information

Jacket Material	PVC (Polyvinyl Chloride)	Wire Gauge	22 AWG
Shielded/Unshielded	Shielded	Cable Type	Adapter, Audio
Jacket Rating	Standard / Non-Rated	Connector 2	1/4in TS Male
Connector 1	1/4in TS Male	Conductor Material	Nickel Plated
