

**C2G**  
**DISCONTINUED: 12ft (3.7m) Pro-Audio 1/4in TRS Male to 1/4in TRS Male Cable**  
Part No. CG-40074

Use this Tip/Ring/Sleeve (TRS) configuration cable to connect balanced line outputs to balanced line inputs. This pro-audio cable is made from 22 AWG twisted pair audio cable under an aluminum foil shield and 60% copper braid for maximum shielding from noise. The highly flexible 7mm PVC jacket reduces the risk of the cable kinking and damaging the conductors.

Bright nickel plating on solid brass connectors resists wear from reconfiguring and moving equipment from one venue to another. Spring strain relief on the 1/4in plug reduces the effects of age on the solder joints and contacts.

## Specifications

### General Info

Product Line	C2G	UPC Number	757120400745
Country Of Origin	China	Application Sector	Residential, Commercial
Type	Cable		

### Dimensions

Cable Length	12 ft
--------------	-------

### Additional Information

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm
--------------------------	-----	--------------------------	------------------------------

### Technical Information

Cable Type	Audio, Adapter	Adapter Rear	1/4in TRS Male
Adapter Front	1/4in TRS Male
