

C2G

Discontinued - 25ft (7.6m) Pro-Audio 1/4in TRS Male to 1/4in TRS Male Cable

Part No. CG-40075

Use this Tip/Ring/Sleeve (TRS) configuration cable to connect balanced line outputs to balanced line inputs. This pro-audio cable is made from 22 AWG twisted pair audio cable under an aluminum foil shield and 60% copper braid for maximum shielding from noise. The highly flexible 7mm PVC jacket reduces the risk of the cable kinking and damaging the conductors.

Bright nickel plating on solid brass connectors resists wear from reconfiguring and moving equipment from one venue to another. Spring strain relief on the 1/4in plug reduces the effects of age on the solder joints and contacts.

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120400752	Country Of Origin	China
Application Sector	Commercial, Residential	Type	Cable

Dimensions

Cable Length	25 ft
