

The 2-Port HDMI Splitter is the perfect solution for connecting a Blu-ray player, HDTV receiver, DVD player or other audio/video device to two HDMI displays. This splitter supports HDMI features including 4K (4096 x 2160 at 30Hz, 4:4:4) resolution, 3D, Deep Color, x.v. color™, high speed refresh rates and lossless multichannel surround sound. It is HDCP-compliant for full playback of high definition content. This splitter is designed to support 480i, 480p, 720p, 1080i, 1080p and 4K resolutions. The splitter is cascadable up to 3 layers to distribute the source signal to as many as 8 displays.

For your convenience, the AC/DC Adapter (#98001) is available for this item. To order a replacement part, please call us at 1-800-506-9607.
