

C2G  
**DISCONTINUED: VGA, 3.5mm Audio, Composite Video and RCA Stereo Audio Pass Through Single Gang Wall Plate with One Keystone (Top) - Brushed Aluminum**  
 Part No. CG-40541

Add the finishing touch to your installation with a decorative feed-through wall plate. Designed to mount in standard electrical boxes or mud rings, this wall plate is constructed from 3mm aircraft-grade brushed aluminum to withstand demanding commercial environments. The feed-through connectors and engraved identification markings makes this wall plate simple to install and easy to use. The VGA connector is located on the bottom to enable easier installation when using electrical boxes.

Compatible with new or existing wiring networks, this single gang design offers an HD15 jack, 3.5mm stereo audio jack, composite video jack, left/right stereo audio jacks, and a keystone bezel, all in one wall plate. Universal and compatible with any wiring. The feed-through connectors are designed to offer low-loss signal transfer and maximum insertions for a lifetime of service. Keystone bezel provides added flexibility for data and networking support. Mounting hardware included.

### Features & Benefits

- Passive, pass through design
- Durable, aircraft grade aluminum construction
- Designed to fit standard single gang wall boxes

### Specifications

#### General Info

Product Line	C2G	Color	Aluminum
UPC Number	757120405412	Country Of Origin	China
