

Add the finishing touch to your installation with a decorative feed-through wall plate. Designed to mount in standard electrical boxes or mud rings, this wall plate is constructed from 3mm aircraft-grade brushed aluminum to withstand demanding commercial environments. The feed-through connectors and engraved identification markings makes this wall plate simple to install and easy to use.

Compatible with new or existing wiring networks, this single gang design offers an HD15 jack, 3.5mm stereo audio jack, composite video jack, left/right stereo audio jacks, and a USB B female to USB A female dongle, all in one wall plate. Universal and compatible with any wiring. The feed-through connectors are designed to offer low-loss signal transfer and maximum insertions for a lifetime of service. Fits standard electrical boxes. Mounting hardware included.

Features & Benefits

Passive, pass through design

Durable, aircraft grade aluminum construction

Flexible USB pigtail allows for easy installation in a wall box

Designed to fit standard single gang wall boxes

Specifications
