

Add the finishing touch to your installation with a decorative feed-through wall plate. Designed to mount in standard electrical boxes or mud rings, this wall plate is constructed from 3mm aircraft-grade brushed aluminum to withstand demanding commercial environments. The feed-through connectors and engraved identification markings makes this wall plate simple to install and easy to use.

Compatible with new or existing wiring networks, this single gang design offers an HD15 jack, 3.5mm stereo audio jack and two keystone bezels, all in one wall plate. Universal and compatible with any wiring. The feed-through connectors are designed to offer low-loss signal transfer and maximum insertions for a lifetime of service. Keystone bezels provide added flexibility for data and networking support. Mounting hardware included.

## Features & Benefits

Passive, pass through design

Durable, aircraft grade aluminum construction

Designed to fit standard single gang wall boxes

## Specifications

### General Info

Product Line	C2G	Color	Aluminum
UPC Number	757120405443	Country Of Origin	China
Application Sector	Commercial, Residential	Type	Wall Plate

### Technical Information

Connector 2	3.5mm Stereo Female, VGA Female	Connector 1	VGA Female, 3.5mm Stereo Female
