

Add the finishing touch to your installation with a decorative feed-through wall plate. Designed to mount in standard electrical boxes or mud rings, this wall plate is constructed from 3mm aircraft-grade brushed aluminum to withstand demanding commercial environments. The feed-through connectors and engraved identification markings make this wall plate simple to install and easy to use.

Compatible with new or existing wiring networks, this single gang design offers an HD15 jack, 3.5mm stereo audio jack and one keystone bezel, all in one wall plate. Universal and compatible with any wiring. The feed-through connectors are designed to offer low-loss signal transfer and maximum insertions for a lifetime of service. The keystone bezel provides added flexibility for data and networking support. Mounting hardware included.

Features & Benefits

- Passive, pass through design
- Durable, aircraft grade aluminum construction
- Designed to fit standard single gang wall boxes

Specifications

General Info

Product Line	C2G	Color	Aluminum
