

Add the finishing touch to your installation with a decorative feed-through wall plate. Designed to mount in standard electrical boxes or mud rings, this wall plate is constructed from 3mm aircraft-grade brushed aluminum to withstand demanding commercial environments. The feed-through connector and engraved identification markings makes this wall plate simple to install and easy to use.

Compatible with new or existing wiring networks, this single gang design offers an HD15 jack for use with computer video. Universal and compatible with any wiring. The feed-through connector is designed to offer low-loss signal transfer and maximum insertions for a lifetime of service. Mounting hardware included.

Features & Benefits

Passive, pass through design

Durable, aircraft grade aluminum construction

Designed to fit standard single gang wall boxes
