

C2G Plus Series Slim Flexible HDMI Cable with Low Profile Connectors supports all HDMI 2.0 features\* and is perfect for home theater or desktop audio video applications requiring high speed HDMI features and video resolutions up to 4K (4096 x 2160 at 60Hz, 4:4:4).

The ultra-slim cable construction and the low profile, compact connector design makes this cable an ideal fit for installations in tight spaces. The Ethernet capabilities of the cable allow a user to connect multiple Ethernet enabled HDMI devices through a single Ethernet connection for accessing interactive online content or updating device firmware. This fully-functional, high bandwidth cable is tested to perform at industry standards and is backed by a lifetime warranty.

\*Note: C2G41398 supports HDMI 1.4 features, including resolutions up to 1080p @60Hz
