

**C2G**  
**Discontinued - 500ft (152.4m) RG6/U Dual Shield Coaxial Cable - In-Wall CMG-Rated - Black**  
Part No. CG-43061

Our RG6/U dual shield cable is ideal for antenna, cable television and satellite installations. This cable has an 18 AWG copper clad steel center conductor surrounded by a foam polyethylene dielectric. A bonded aluminum foil and 60% aluminum braid provide 100% shield coverage. Use for CL1, CL2, CM, CMX and CMG installations. Swept tested to 3 GHz to ensure performance at applicable frequencies. To help you keep track of cable used, the cable jacket is sequentially marked every two feet.

## Features & Benefits

Ideal for antenna, cable television and satellite installations	18 AWG copper clad steel center conductor surrounded by a foam polyethylene dielectric
Shielded to prevent unwanted EMI/RFI interference	CMG-rated for in-wall installations

## Specifications

### General Info

Product Line	C2G	Color	Black
UPC Number	757120430612	Country Of Origin	China
Application Sector	Commercial, Residential	Type	Cable

### Dimensions

Cable Length	500 ft
--------------	--------

### Technical Information

Jacket Application	In-Wall Rated	Signal Transmission	Bidirectional
Cable Type	Coaxial	Jacket Rating	CMG Rated, FT4 Rated
Connector 2	F-Type Male	Connector 1	F-Type Male
